

YOUR NOR 3/9 HANDLABELLER

NOR
3/9

Dear User,

We hope that you will be pleased with your new NOR3/9 handlabeller which has a number of advantages including:

- ▶ Robust build with a warranty of 2 years
- ▶ Easiest and cleanest ink change ever
- ▶ Reduced squeeze pressure needed to operate
- ▶ Improved clear print characters
- ▶ Easy roll loading using the instructions below

LOADING INSTRUCTIONS

FULL INSTRUCTIONS ARE IN THE USER GUIDE

1. Slide the Platen Release Buttons **A** (on both sides) to allow the Platen **B** to drop
2. Lift the Label Roll Cover and insert the Label Roll onto its spindle
3. Feed the free end of the labels through the labeller allowing about 6" of labels to hang down. Close the Roll Cover
4. Close the Platen and peel off the labels from the exposed length of backing paper
5. Insert the end of the backing paper vertically into the Label Feed Slot marked  and hold in place
6. Squeeze the Trigger until the paper is fed through the labeller
